CHAPTER 90

ROOT AND BRANCH

Part 3 of 3

A year ago, Company agent Sabine Hazel began a relationship with her partner Julien Dumont. Too bad Julien's special ability was to clone himself. Believing the man she loves to have been replaced by a clone, Sabine murders her alleged partner. With help from Evs Dropper, Sabine finds the original Julien Dumont hidden in a Company cell, where his clones are being forcibly harvested. Things just got a whole lot more complicated...
